

PURION UVC Box Medium

For 110 – 240 V

50 – 60 Hz

DESCRIPTION

Everyday objects such as smartphones, wallets, keys, watches and even eyeglasses receive too little attention in terms of hygiene. Hands are exposed to a variety of germs throughout the day. In the office, suburban train, doctor, restaurants or even when shaking hands. These germs are constantly transferred to the most used objects in everyday life. As a result, hand washing usually becomes useless, for example by directly using the smartphone again. With the UVC BOX from PURION, these objects can now also be disinfected easily and quickly without much effort.

OPTIONAL EQUIPMENT

Basic (without additional functions)

Plus (with timer function)

This Plus version makes it easy to set the correct running time, the manufacturer recommends an irradiation time of 10 minutes with a disinfection power of 1,440 J/m². The UVC box runs either in continuous operation or switches off automatically after 10 minutes by the timer function. This ensures that the optimum irradiation time is not missed.

Extra (with timer function and additional spotlight)

This dual version is characterized in particular by the fact that objects no longer need to be rotated to achieve optimum germ reduction and makes it easy to set the correct running time, the manufacturer recommends an irradiation time of 10 minutes while the disinfection power is 1,200 J / m². The UVC box runs either in continuous operation or switches off automatically after 10 minutes by the timer function. This ensures that the optimum irradiation time is not missed.

Scope of delivery

- UVC box
- UV lamp (17 W)
- Instruction manual

Black

Technical data

Manufacturer	PURION GmbH
Type	PURION UVC Box Medium
Disinfection capacity	1,200 J/m ² at 5 min irradiation duration
Housing dimensions (LxWxH in mm)	600 x 450 x 367
Weight	18 kg
Radiator service life	10.000h
Number of radiators	1 (for Basic and Plus) 2 (for Extra)
Housing protection	IP 54
Electrical connection	110 – 240V AC 50Hz/60Hz
Power	17 W
Fuse protection	10A
